“ Joyce & Family (Debbie, Tracy, Johnny, Lisa)

My sincere condolences to the family, my thoughts, prayers, and love are with you all. We were young and in the beginning, all I knew about Rob, was here was this new guy who showed up and all of a sudden was taking my best friend away. I didn't like it, and it seemed a long way to her new place, but I was able to go and spend the night often and was made to feel as welcome there as I was right next door. I eventually started to see even in my young eyes Rob was a really great guy and he offered Joyce and the kids a great new life. I had many great times with the family and I am thankful to have been included and have those memories.

Rest in Peace Always Rob

Sincerely,

Sandy Lunsford Hester

“ *Joyce and Family,*

Today, I was saddened to see that Charlie had passed and instantly I was flooded with many fond memories of him. My Dad introduced me to Charlie in 1985. He and my Dad were friends from High School. I had just come home from the Navy to start college and had been ridding bicycles for awhile and thought I knew something about long distance cycling. Well, our first ride was 50 plus miles and I realized very quickly that this man, 23 years my senior had a lot to teach me. I survived the ride and we became cycling partners `when time permitted. I also raced against Charlie most weeks out at Aqua Gardens, was there anything he was not accomplished at? Definitely a Great Guy all around and always a pleasure to see.

I'm Sure he is Running and Cycling in Heaven!

Respectfully,

Kevin Banker

“Dad, I just wanted to let you know that you were the most amazing dad a daughter could have. I will always cherish the time that you and I spent cutting wood, you'd take me to the Waffle House before we headed out to the woods. You always ate the same thing, a pecan waffle syrup and butter..

You instilled in me the values working hard, to get the things I needed and wanted in life.. I have never forgotten those strong values, and I will never forget the love and patience you had for me.. You are the most incredible man I have ever known, and I love you dad with all my heart. My heart is empty and sad, you will be missed more than words could ever express.

I love you pops,
Your daughter Tracy

Poppy, thank you for choosing to be our father when many men would have not. You unselfishly gave your life to raise 4 children as your own. You made my life complete. You even chose to adopt us and give us your name, a show of true commitment and love. You were my only real daddy. You gave so unselfishly of yourself, because that is the kind of man you were. Thank you for showing our mom the definition of undying love. You were my one and only true daddy. Thank you for loving us and teaching us what real love is. You will always be a part of me and be kept alive in my heart. Your daughter, Debbie ❤️
