“ *What a great man, our entire Nugent & Baker family always used Charlie for our "Gravel"! But it was so much more than that, when we moved our business to Ohio Ave, Charlie was there with us, he said that our Dad, Larry Nugent would be proud of all of us. Charlie always was there to say all the right things! He will truly be missed, i'll always remember him whenever I drive past the 53rd St. McDonalds, that 1st table looking out with a smile & a wave & always asking " How's the work going"! Rest in Peace Charlie!*

“ As a kid growing up, I was taught to respect my elders. Once I was old enough understand why this was important, I realized there existed a wealth of knowledge in those with gray haired individuals that had already traveled the roads I was embarking on. Charlie Netherton was no exception. Whether it was his homespun logic on how to handle a difficult situation, his sense of fairness in a business transaction, or simply a humorous story that fit the situation, Mr. Netherton certainly possessed the wisdom of his many years. I only knew Mr. Netherton through his son Rick, we were classmates and worked together at Borg Warner and Magnequench, but that was enough to enrich my life. Rick my thoughts and prayers go out to you and your family.

“ Very sad to learn of Charlie's passing. He was a wonderful friend and a gentleman I enjoyed doing business with him and just dropping into McDonalds to spend a few moments with him. When my wife passed in 2011 he went out of his way to help me and I appreciated it so much. He will be missed. My sympathy and prayers go out to the family and friends. Rev. Loyce Webb

“ I would just like to say what a wonderful man and a joy to be around. This man could make you laugh no matter what was going on with you. I had the pleasure of meeting Charlie four years ago. It was like we had known each other most of our lives. I worked at McDonalds and he always made sure to speak to me and razz about something. He would go out of his way to make you laugh. He seemed to have a second sense about people and what was going on with them and would just have you cracking up laughing when he would walk away. What an awesome man . Charlie you will most definitely be missed. You go enjoy those streets of gold we talked about. Keep everyone in line up there.

I know you'll having them laughing for sure. Love you my friend and will never forget you.
