“ My heart and prayers go out to all of Cheri's family & friends. I worked with Cheri at Harvest Market for a year and a half. She always made the work day go by quickly, and made me feel right at home when I first hired on. I will miss her very much! She was someone who I laughed & cried with. I caught up with her lately on Facebook, it was great to see her smiling face again. I regret I didn't tell her how much she meant to me. She will be greatly missed. She was a very genuine person, someone you could talk to and who could make you laugh no matter what kind of day you were having! I will miss you Cheri!

“ I worked with Cheri for 7 months when I worked at Hoosier Park casino. She was so friendly, helpful and so outgoing. She never met a stranger. She made you feel so at ease with her beautiful smile and positive attitude. Even though I only knew her for a short time, her passing has really affected me. Cheri was a great person and is surely in the arms of God.

“ I've known Cheri for a long time, she's been a friend of my mother's since we first moved to Indiana when I was 14, and I'm 22 now. Cheri was a great woman, very outgoing, fun to be around and had a warm and inviting heart. I will truly miss her.
