“ I feel so blessed to have been Kinsey's teacher this past year, and I will always remember how excited she was when Mommy could come in for lunch or for a class party. I could easily see what a great mother Cheryl was to her children, as well as what values she instilled in them. After a reassuring hug in the hallway, Kinsey bravely entered the classroom each day and made her mommy very proud! I know that Cheryl's kind and loving spirit, and her determination to make the best of all circumstances, will most certainly live on in her children!

With most sincere condolences,
Cheryl Farrell

“ My biggest memory of Cheryl was "Where did that tiny woman get that big voice from?" She sang like an angel and I loved it when she sang in church. My second biggest memory is that she was such a wonderful mommy. I loved having her kids in children's church. They were so knowledgeable that they were always on the winning team when we played Bible Jeopardy. She was just such a classy lady.

“ Dear Aaron , although time passes and we lose contact with our extended family , I want you to know that your Dad was one of my role models as I grew up . He used to get me and I would stay all night with him and your mom and they treated me like a little brother . My mom "Lela " loved Dale and Sheryl and always considered her family also . In parting my heart aches for you and your children and my God show you the strength and guidance to get you through these trying times . Godspeed to you my little 2nd cousin and Godbless .
