“ Cheryl was pretty much my aunt. Because she was married to my uncle and Robbie is my cousin. I feel so bad for Robbie having to deal with all of this at such a young age. Losing both parents within a month has to be hard. I just pray that he will get through this. I always loved Cheryl, she was the nicest person I've ever known. And I'm glad to have been part of her life. I will miss her very much and I'll always love her, Robbie, I want you to know that I'm always here for you, day or night, if you need me for anything, you call me and I'll be there. I love you.
