“ Back in the early 90s, as my "home ec" teacher, Mrs. Hensley prompted me to get my first job at Fraziers. Then 20+ years later she did the same for my daughter. She provided me with many useable, real life skills so much so that I added family and consumer sciences to my teacher's license. Her smile, sarcasm, and fun stories will be missed. Thanks Mrs. Hensley. RIH ❤️
