“ To see Chester and visit him at the nursing home was always a happy but touching day to me.. I cant be more grateful to my Mother-in-Law for taking us to see him any time we visited her.. The last time we saw him it will be always special to us because it was the last time we all were together... Thank you Barbara for showing me how much of your care and love towards someone you love is... The time I met Chester before saying goodbye and returning to our home he said, "visit more often and always show the love you show to each other... Rest In Peace Dear Chester.. Thank you for your kindness...

“ It has been our pleasure to know Chester as a brother in-law and friend for these years that he has lived in Utah. On the occasions that we would visit him and his wife Barbara, he was always hospitable and we enjoyed those visits and the time we spent in his company. We send our condolences to his family at this time of loss.

Sincerely, Ray and Kathryn Migliori
