“ *Mike, Orena, John, and to Christa's extended family and friends. I had not seen Christa since she was very young until about one year ago. Someone said hello to her and I asked if that is Christa Moore. After all the years of not seeing her I knew that it was her. We were on our way for vacation when we heard about Christa's death and weren't able to visit in person. Orena, my heart broke for you. Mike the same goes for you. It's been ages since we have seen each other, but I had to let you know that you were on our minds then and now. I hope you find peace in your life and settle in to the sweet memories of your daughter.*

“ Christa and I have shared so many laughs together. My fondest memory of her is the time we went to Flordia to visit her Grandma&Grandpa and then on to Daytona Beach. We had such a BLAST together! Christa was such a gorgeous girl,without a hair ever out of place. She was one of my very BEST friends and she will be sadly missed forever. She loved my daughter, Brianna, so much. She would always bring her special gifts to the house. Brianna will also miss Christa's smiling face. Christa, I know that you have found peace with God in heaven and someday we will laugh together again. Until that day comes, you will always be in my thoughts & prayers each and everyday! God bless her family & all of her many wonderful friends! I hope she knows how much I love her.

“ So many of us have been touched in so many ways throughout our lives by Christa. She was someone that you could go 20 years without seeing and never forget her smile or her incredibly contagious laughter. Even through the years that we simply lost touch I never stopped thinking about her or wondering how she was doing, but mostly I just hoped that she was happy with whatever life had given her. I will always cherish the memories I have with her and will always be sorry that there will be no more for this lifetime. I look forward to the day I see her again in Heaven, I'm sure she'll have a party ready for all of us when we get there. Here's to you Christa, the friend none of us will ever forget! You will be in my heart forever. Love, Shelley

“ Christa I love you and I'm sorry that we fell distant in the last few years. You always made me laugh so hard my side hurt I'm sure everyone felt that way We spent a lot of good times at Redbud and Elwood and Walnut St. Here lately we had said we would try to get the girls together and go chat about old times but, we could never seem to do so. I regret that with all my heart, but Christa will always be with us in our hearts our music we hear, when someone laughs, but no one had her laugh HEE HEE HEE I hope all us girls can get together more often because you know we have a lot of Special Memories of Christa we can share that only the two of you had, because I know I do. Mike and Rena and John and to the rest of my dear friends family I loved Christa and I will Miss her very much and I would like to give my deepest sympathy to you and God Bless all of you. “ *Christa and I were childhood friends living next door to one another on 31st Street. I can remember playing hide and seek and the numerous hours we spent playing outside in the sand box. Even though it has been years ago it seems just like yesterday. My thoughts and prayers are with all of Christa's family.*

“ *How could anyone forget those beautiful eyes, kind smile, great laugh, and loving heart, of my dear friend Christa. We had countless fun times which I could never forget. She is the only person I know who would have carried out our plan of taking her S15 truck to Florida, with 4 crazy people, taking turns riding on the luggage, piled in the bed of the truck! Just one of the many great times we had together. We tried to always be there for each other through tough times, even if it had to be a long distance phone call at 3AM. I will miss my harley buddie so much, until we meet again one day, for I know she is in a better place, waiting for us all. My heart and prayers go out to her family and friends. This is not "goodbye" just a long "see ya later."*

“ Christa and I were good friends through the later years of high school, however we lost touch and drifted apart. I have spoken to Christa a couple of times in the past couple of years but we really never connected again. I will always remember spending our summers cruising Shadyside and hanging out. “ Chrissy was my best friend, we meet in high school and we became friends by chance, but sisters by choice. We did "everything" together I will never have a friend like her again. "I will miss you forever, with "every" sunrise and sunset, you will be "forever" in my thoughts." I never thought I would lose you, especially this soon in "our" lives you have always been there for me. When Kier was born you were right there when I had no one. You were so excited and when we decided on her name together it was as though we sealed our friendship for life. Your mom and dad were my own as are mine to you dear friend. I will not say goodbye only I will see you soon I know you will be waiting on me. Thanks for being the best friend I could ever ask for, and the best Godmother to Kiersten. Kiersten loves you so, and your presence will never be filled in her heart or mine. I love you.....hugs and kisses to heaven.

“ Christa and I were very close friends through high school, although we had not hung out much in the past several years I still have some very fond memories of her. I think our best adventure together was when we went to Kentucky together for a "weekend road trip" in her Big Red Truck. We also had a lot of good times at the trailer in Red Bud. My heart and prayers go out to Orena, John, Mike and all of her family. She will be missed, we love you Christa!!

“ Even though Christa and I lost contact for the last couple of years, I still recognize her as being a part of my life growing up. Our time in Daytona during "Springbreak of 89" will always be a fond memory of mine. We had our ups and downs for the last 15 years, but you will always be the friend I'll never forget. Rest in PeaceWe love you.
