“ I will miss Tina deeply. She was a wonderful friend to me in a very hard time and we really bonded and now it feels as though a piece of me is now gone. I can't wait to see my friend again in Heaven! My deepest condolences to her family. I know she will be surely missed by you. I hope if there is anything I can do, especially for Tanner, I would sincerely love to. I wasn't very good about talking to or seeing Tina lately due to work and kids, but I want to be there for her in death. She was a wonderful person and I am a better person for knowing her. My heart aches at the world's loss.

“ Christina always had a smile! From the moment we met 8 years ago she was a true bestfriend. She accepted my flaws and my past. I have been blessed for what small part of her life I was able to share! To Tanner and Bobby, she was so proud of her family. Couldn't wait to introduce me to yaull! Everyone that met and knew her couldn't help but love her. As do I, I love you Christina. My prayers go out to her son, mother, husband, and father.
