“ I am so sorry to learn of the passing of Christine. She is a beautiful lady. I remember baby sitting for her as a very young girl when you lived in Southview Addition. Hugs and prayers to you, Carole and the family. I looked at the pictures and looks like a very loving family. Shawn Waltz Taylor

“ I was heartbroken to hear of Christine's passing. It has been many years since we last talked, had lost track of her as our lives progressed. She was a dear friend in high school and have many fond memories of our time there. Comes from a great family. She will be missed by many.

Condolences to her family and close friends.

“ Words cannot express how saddened I was when I heard of Christine's passing. I send my heartfelt condolences to the entire Boulware family. I feel blessed to have worked alongside Christine at Cintas for the past 5 years. She was not just a co-worker, but a cherished friend. We had so much fun going out for lunch and talking about work, family and sports. Rest in peace dear friend.

Christine was a kind and brilliant lady. I had the privilege to work with her and learn from her at Cintas Christine's capacity to understand and to break complex issues into the basic units was remarkable. I'm so glad I was able to work next to her for a few years. I'm so sorry for the family's loss. She talked about her family often and it was clear that was where her heart was.

I worked with Christine on the Houston Sysco project in 1992-1993. We did not stay in touch and today I just happened to see if I could find her on the LinkedIn website to see what she had been doing these last two decades. Very sorry to find out she had passed. She was a consummate professional, extremely intelligent and most importantly a wonderfully kind person. May she rest in eternal peace.
