“ I grew up in the same White Oaks neighborhood as Chris and his family. I can remember many a time that we were all hanging out at the Harvey house. I can tell you that it seems just like yesterday. It is so funny how fast time goes by. I will never forget the times with Chris, and friends. They were some of the best times of my life. I lost touch with Chris sometime after our graduation, and I can only pray that he had a happy and loving life after that. I know the time I shared with Chris, that he was always having a good time, and living life to the fullest, which is the best way to live it. I will miss those times, but i will never forget them. Remembering you always, Allen Neal
