“ I would like to say to the family I am truly sorry for your loss. I will keep all of you in my prayers!! There is so much to say in thinking back of the wonderful memories of Chris over the years. They date back 35 year ago when Chris was 9 years old, and he came over to our neighborhood. He ran even back then. Chris was a person you couldn't help but like. He could have you laughing till your ribs hurt. Our families became very close for many years up until about the time he graduated from High School & we began to drift apart. But I would see him running somewhere around town & would stop to chat & catch back up on how each others lives had been since the last we had seen one another. It will be hard not to see someone running & not turn to see if it is Chris. In closing I would like to say to the Lodge family. Chris is & always will be greatly loved and forever so deeply missed.

“ Chris was always in the neighborhood running and training for the different races he had signed up for. If the sun was shining you could be sure he was running somewhere. He always had a smile and a wave for everyone. He will be missed.
