“ Wayne, Barb, Tyler and all those who loved Christy: I am so sorry to hear of her passing. I had intended to attend her services today, but unfortunately am home caring for my sick children something I know Christy would understand. She was a fabulous mother and warrior for Tyler and will be missed by all. Keeping you all in my prayers during this devastating time.

“ I met Christy in her work on the ULMC Head Start Policy Council in October of last year. She was a passionate advocate and avid learner. She spoke lovingly of her son, Tyler and was so happy to have traveled to Florida with him this year. My sympathies and prayers are with her family.
