“ *This man does not deserve to be in any ones memory! Unless he changed before his death! He was a compulsive liar, drug addict, etc. He preyed on unsuspecting women! and any one else he could get anything out of. I am one of his EX wife's, he was born in Leavenworths, Washington, NOT TENNESSEE. And he was not in the service, he spent most of his time in prison, for fraud and stolen property. Sorry to be the one who pops your little world concerning Clayton Ells. He did not serve in Vietnam he was only 11 when it started- he was not in the service. Only thing he probably told you is he could cook- if you look at his certificate for "COOK" you will see he got it in Prison. So if you want to contact me concerning any thing Ells, Clayton just email me. Sonia Ells Wright*
