“ I want to express my condolences to you and your family and to let you know how much your father/brother, grandfather/uncle will be missed. He was a wonderful friend to my father, George Finch and my brother, George. I know my brother misses him dearly already. I will miss his sweet smile and him coming to Terre Haute for our annual cookout/pool party. My sister, Ruby wanted to send a special message to let you know what a special friend he was to her and our family. The trips to Florida with dad to visit her is one memory she will cherish forever. This is just one of the special memories she can share. It is an honor to have known Cliff and it is our privilege to call him "friend." Thank you Cliff for great times and memories that we can remember always. We love and miss you already. Ruby, Glenn & Melinda
