

Colby Hillegas

August 30, 1988 - March 1, 2020

Colby Hillegas, age 31, of Anderson, passed away March 1, 2020. He was born in Warren, Michigan.

Colby was a graduate of Lincoln College of Technology. He graduated with honors with a degree in Diesel Mechanics. He was passionate about his work at Carter Express and was extremely skilled in his trade.

For those who knew Colby well, knew him as a mischievous little boy with freckled cheeks that would melt your heart. He was a caring and generous person that would do anything for you. He never met a stranger. Colby loved his family and friends. He loved all animals. He enjoyed going to hockey games, bowling, racing, trying new food, and being with those he loved. Colby was fearless, spontaneous, goofy, witty, but most importantly, he had an amazing heart.

Those who knew him well also saw a young man struggle with addiction for many years. Addiction took control of his life. He fought it for years. He tried to overcome his battle with addiction but it was too powerful.

He wanted to be his best self for the world. He recently set out to start a new life path with a clear mind and an optimistic spirit. Although this is not the path he planned for he is now free from the mental torment and addiction he

battled for years.

Colby was survived by his parents, Charlie & Audrey Hillegas; sister, Ashley Hillegas; special friends Nicholai Vincent & Perry Grove; many aunts, uncles, and friends. He was preceded in death by his brother, Chris; grandparents, Jeanette Hamm, Palmer Hillegas, and Rose and Carl Harrison.

Pallbearers will be Perry Grove, Nicholai Vincent, Jon Clark, Ellis Ritchie, Matt Bilbrey, Quentin Davis, & Brian Taylor.

In lieu of flowers, the family requests that donations in Colby's name be made to Bridges of Hope Treatment Center to help others who are struggling with addiction.

Visitation will be held Friday, March 6, 2020, 4:00 pm - 8:00 pm at Loose Funeral Homes & Crematory, 200 West 53rd St. Anderson, IN.

Services will be Saturday, March 7, 2020, 11:00 am at Loose Funeral Home with Gary McCaslin officiating.

“ To Mr & Mrs. Hillegas and family. You do not know me but I read your son Colby's obituary and you have described my two nephews. They too lost their lives to addiction. One by choice. I have seen and lived the devastation. Your courage to write about your sons struggle is so powerful. May God hold you in his arms to give you strength through this time of sorrow. May you find comfort that your son is at peace. I will be making a \$100 donation for Colby in memory of my nephews Josh & Jordan Lynch to the Bridges of Hope.

God Bless

“ Colby was the little cowboy, dressed in his cowboy boots cowboy hat,, holster and toy gun and nothing else. He was a one of a kind little boy, I know he always kept you guys hopping, but such a kind, caring soul, even as a child. I missed out on his growing up years, since we moved, but I know that caring, little boy grew into a kind, caring young man, Audrey, Charlie, Ashley, I am soooooo sorry. My prayers are with you all.

“ My family and I have been your neighbors for most my life. I never really got to know Colby very well, but I sure will miss hearing him say "Hey Neighbor!!" every time I see him. Colby also brought me dinner one night and told me how to make a Mississippi Mud Roast. My family and I make it all the time now, and every time I make it, it will remind me of Colby. My deepest condolences to your family and if you need anything, my family and I are always right next door!! -

“ *Man has the time flown, it seems like just yesterday that we all were running the neighborhood and the little woods and pond being boys. What I would do to go back to those moments at times, Colby was great and there were rare moments that I had the pleasure of hanging with only Colby. Though it seemed like they were always a package deal, one of my fondest memories were 4th July and camping in my back yard making a fire. We all sat around the fire and told stories, Colby and I lost touch as we became adults. But as these years passed I often wondered how he was doing and what he was up to. Audrey and family, my heart is with you guys, Alisha and I can not make it to IN for the funeral. But are sending our thoughts and prayers.. I love you guys*

“ Charlie and Audrey, Still thinking about Colby and his intergetic smile every time I saw him. He would give me a hug every time we visited and ask how I was doing. He was a caring young man. One day we will see him in heaven. Praying God gives you peace and comfort during your loss. Love Linda.

“ Chuck, Audrey, & Ashley,
My heart aches for your family. I wish I knew what to say to ease the pain for all of you.
I have learned to know your family through Chuck and Colby. I am floored by the strength your family has. It is unimaginable to think of the hardship and pain you all have endured.
Please find comfort in knowing the amount of love your family shares. Again, I cannot imagine your pain, and my heart simply aches for your family.

“ Audrey I'm so sorry! I wish I was in town to give you a big hug! God I'll never understand why we had to loose our babies! Both of your boys always treated Shelby and our whole family with the utmost respect! I hope they are all 3 now happy and free with God! You raised amazing boys, they just got "caught up" like so many other good kids! My heart aches, just broken! God bless you all! Melissa
