“ I worked with her at Conduet when it was Xerox. She was one of the sweetest ladies I worked with. She definitely will be missed.

“ Years ago I worked at the Pendleton, Indiana McDonald's location. In the beginning, she was just a regular customer and then she became family. She would always ask about my family and would just be there to listen me when I was having a bad or down day. She was apart of the 'round table crew' that the employees looked forward to seeing everyday. She was always smiling and joking and making sure everyone was in good spirits around her. My condolences to the family.
