“ *I give you this one thought to keep--- I am with you still-I do not sleep. I am a thousand winds that blow, I am the diamond glints on snow, I am the sunlight on ripened grain, I am the gentle autumn rain. When you awaken in the morning\'s hush, I am the swift, uplifting rush Of quiet birds in circled flight. I am the soft stars that shine at night. Do not think of me as gone- I am with you still-in each new dawn. You are in my prayers, Bonny Sargent*

“ Conni will remain in my heart forever, we shared so many things in our lives. The times we stayed up all night talking about nothing. While Conni and I were not as close as we once were, I always knew I could count on her for anything. My heart goes out to Gary, Cortni, Collin, John, Charlotte and the rest of the family. I am so thankful that I had Conni in my life and I will miss her dearly.
