“ I have fond memories of “Aunt Connie”. She and my mom (Maureen Olson) were best friends in high school. When I was young, the two of them would have a ladies’ night out every other Tuesday-typically going out to dinner and a movie at the Paramount or State theater. I usually got to tag along. I remember Aunt Connie’s infectious laugh and generous, kind-hearted spirit. She gave the most creative Christmas gifts. I distinctly recall the typewriter and a beginner’s cookbook. I also remember she had a pet bunny named Barney that she kept on the back porch and a wandering tomcat aptly named Blackie. I will cherish the memories of the times I got to spend with her...Sherry Gwaltney Francis
