“ I miss you and your great granddaughter Jade and great grandson Hunter both have been told about your life and your great example of what a true hero and amazing human being really are and both wish they could have met you. No one has ever been more respected and loved. You were and are our angel. Thank you for being a part of our lives. The best part. The world is a better place for you having been in it. I love you grandpa. I bet you and Jesus have a regular tee time at the golf course in heaven. Hit a hole in one for us.

“ I am very sorry to hear about Red. He was a very kind individual and always had the great smile for me when I saw him. He just never gave up throughout all the adversity. What a strong man he was. As I have just buried my mother on Monday the first I can understand your sorrow and your loss. Just remember he is in a better place then we are and we will join him someday where there is no pain no tears no worries, Just joyfulness. Hang in there, that's what "they" tell me, but do "they" really feel what we are feeling now. God bless to you all. I will pray for your family that pease will prevail in your lives. Love, Cheryl
