“ I am very sorry for your loss. Although it has been many years since I have seen Cori I find myself thinking about our childhood growing up next door to each other very often. I will always cherish those memories. Kody and Payne, I don't even know you, but I will tell you that I am sure you had a wonderful and caring mother that will always be in your hearts. May God bless all of you and help you thru this painful time. My thoughts and prayers are with all of the family.
