“ She was bright and cheery and always made you smile. But you would cry when you left her cause you knew the pain that she was in. Now she's in our hearts and we can smile again cause Heaven has only happiness and Cristy will have no pain

“ I didn't know Cristy or her family. But I wanted to send my deepest sympathy to her family. I lost my mother to the same terrible disease that claimed this beautiful young woman's life. You are all in my thought's and prayers. And my God help comfort you during your loss.
