“Curtis was my special uncle who helped me when I moved to Indiana. He was the most helpful, caring and loving uncle I could ever have. He was a blessing to us. We will miss him so very much. Our love and prayers to Sharlet, Steve and family; Donna, Gary and family.

“Sharlet, Where does the time go? It seems like only yesterday that I was working alongside your father, and you for that matter. I can still picture Curtis operating those old, noisy metal presses in plant five from so many years ago, always with a smile on his face. May the good Lord above help you during the time of your grieving. My heart and prayers go out to you and your family.
