“ *Cyndi was my best friend in nursing school and after. While we lost touch, I've never forgotten her warmth, humor and smile. She was a beautiful and caring person and I extend my sincere condolences to her family.*

As one of the many Aunts to Alex and Ashley, I have very wonderful remembrances of Cyndi. She had an infectious laugh and was always so quick to find something to laugh about. It was the early years that I had the pleasure to know her, when her babies were small and she was such an engaged mother. She leaves behind 2 amazing young adults with that same ability to readily find humor in all aspects of this life. My heart goes out to Jack, Jean and Scott as you find your way until you see her again. She was a lovely woman. Nan Ibarra (Joe's sister)

I have so many fond memories of Cyndi in Houston when she became a proud Mom, her happiness and beautiful smiles. I enjoyed visiting with Cyndi many times and she always had such funny stories to tell and I will miss her with all my heart. We are so sorry and saddened and love her dearly. May God comfort you and give you strength each and every day.

Dearest Jean, Jack and Scott, I just discovered this very sad news moments ago. I have been talking with Cyndi over the last few months about her loving brother Jeff and I just can't believe it. My prayers go out to you all to find the strength again. You are such a wonderful loving family. I am so sorry.

Dear Jean, Jack and Scott, I am beyond saddened to hear the news of Cyndi, she and I also had some good conversations after Jeff passed and I greatly appreciated her comfort and tried to provide her with the same. Now she and Jeff will be reunited, I hope she remembers to give him a hug from me! God Bless your family. Much Love, Susan McGrath Forman
