“ Hi Marty,
I'm not sure if you'll see this. I randomly remembered you and Cynthia today, and her obituary showed up when I Googled you. I was just a kid when I last saw you and Cynthia, but I remember how you always made me laugh and can still hear Cynthia exclaiming "Look how much she's grown!" in my head. I am so sorry for your loss and hope you are doing well. Know that you still are and will be in my thoughts.

“ Cynthia hired me as a social worker at Marion VA. I remain grateful to her, and always will. I consider my VA job as the highlight of my career. I enjoyed her dedication to her work; her support of the staff; her sense of humor.
