We met at Ocean Village Club in St. Augustine, Florida years ago. So many happy memories and conversations floating around the pool and Grady with his clipboard & crossword puzzles! We will miss you both, but will hang onto the memories! You are both loved by many!

“ When I think back to the time I spent at PHS, my friendship with Cindy was one I loved the best.

I remember how we would dance and sing all the latest songs. Cindy moves were so smooth, she never did it wrong.

Hanging out at Cindy's house was so much fun and laughter filled the air.

But we became really famous when her mother did our hair!

Goodbye dear friend, my heart is very saddened today. But I can see you and Grady being together in your own special way!

God Bless

“ *My momma was a sweet, kind person. I will miss her tremendously. We lost Grady 6 weeks ago and she tried so hard to go on with her life but just couldn't do it. She died of a broken heart. She loved me and my sister more than anything in this world. Grady was the love of her life. She loved her grandkids so so much. She will be missed by so many. Your with Grady now mom, rest easy. I love you with all my heart.*

“*To lose both parents in a span of less than two months is devastating for me and my sister. Our mom loved us so fiercely and loved Grady with everything she had. She just did not want to go on without him. We all feel like she died of a broken heart. But now she is with Grady, and they can both rest easy. You will be missed mom, I love you so much. Fly high!!*
