“*Robbie, I am sick just thinking about what you and your family is going through right now. I know it has been a long time since we have been in touch but I have not forgotten about you and your sisters. I hope that you can get through this tragic time and remember Dakota as a sweet little girl. I know there aren't enough tears in the world to shed for the lose you have had. If you need anything or anyone to talk to, please remember that I am here and willing to lend a helping hand. You and your family will be in my prayers. Hang in there and take care.*
