“ Dearest family of Dale, I join with so many others who knew Dale in offering our deepest sympathy on his passing. Although it is little consolation at this sad time, it should be of some satisfaction to know that in his passing you can celebrate the end of a very long and productive life. The measure of a life well-lived is not how much money or what possessions they have accumulated, but rather through the lives they have touched and the sorrow they leave behind. If the outpouring of sympathy on his loss is an indication, and it certainly is, you can proudly say that his was a life well-lived. May you find peace and comfort in knowing that his loss is felt by all who knew and loved him. We will miss you Dale Lane. Love, Norma & Dennis

“ *God takes the Best of the Best a true Christian man of God and good friend. Heavens bells a ringing tonight leading this Angel home. Thanks Dale for all the wonderful camping memories who would have thought a campground could have nurtured such good friends.*
