I had the pleasure of knowing Danny since I was 19. He was the drummer for a band that my husband was in. I thought he was so cool w his beret on and the blackberry brandy (cough medicine he said) in his back pocket. Then i got to meet Pam and they were such a great couple. My love goes to all of his family. 💕💕

A beautiful video tribute...well done Family...Desk was my friend. We bonded on music especially. Although I moved away so many years ago my memories of his friendship are strong and I will always remember his LOVE of family, fishing and MUSIC. Farewell old Friend...see you on the other side.

The Erskine family were neighbors in the 60's, but Dan became a friend in 70 to 71. What a wonderful friend and person. I moved away many, many years ago, but always thought of Dan, and Gary, fondly. The video warmly showed, Dan created many wonderful times over the years with family, friends, and fishing. Dersk was a wonderful guy. You are all in my prayers. God bless,
