“ I represented Dana in plant 11 Delco Remy back in the mid 1970s. He always had something humorous to say when I saw him. Good man!

“ I have so many memories growing up right across the alley from the Marion's. Dana was my very best friend growing up so she was either at my house or I was at hers. I never new what was going to be on the stove at the Marion house, lol. Danny sure cooked up some weird stuff. I will never forget seeing a turtle in a five gallon bucket on the back porch. Dana and I both new it was destined for the frying pan so we saved it and turned it loose. Needless to say Danny was not happy about that. Danny was a great man and I will never forget him. RIP sweet Danny.
