“ I will always be grateful for the help Dan gave me when I first became the manager of strip packaging at Roche. He genuinely cared about making our workplace a fun and supportive place to work. His happy disposition was always a welcome sight in the halls and at the production line. Your presence is greatly missed.

“ Dan was a great man. He never failed to make you laugh. I have many memories of Dan. All which I will remember forever. One time in high school I remember he was driving his expedition down 500 at night and turned into the field. He started driving crazy and doing circles 😂 Zach, Alyssa and I were cracking up. Never a dull moment with Dan around. □
