“ Thank you God for allowing Danny & I to cross paths a few weeks ago, after not seeing eachother for many years! I reminded him of an inside joke that he and I used to share with eachother throughout school and after. And as usual, we both laughed and laughed, not knowing it would be our last time. Gonna miss you Danny! Irena

“ I've known Daniel since him and his little sister Donna came into our life when they was 19 and 13.

*They are more than friends to us they are family!! Daniel took my daughter and me to Tennessee because I was her matron of honor and Tammy was one of her bridesmaids. Daniel promised Jim that he would get us there safely and get us back home safely and he did. We had many laughs together and Daniel had a heart of gold! He loved with all his heart and you knew you had a friend in him! I can hear his laugh and see his smile! You will be forever missed and forever loved and never forgotten Daniel! Love you always, Teresa Martin Eades*

“ I'm so sorry that your family has to go thru all of this! I've grown up around Danny since Donna and I were in choir together in junior high and we used to hang out with each other outside of school. I remember Danny staying away from Mom's if he knew that I was there to help keep the mischief down because he knew that I had a crush on him and he it was in his nature to be a flirt. I'm so going to miss those beautiful eyes of his and the loving nature that he has always shown me throughout all the years. Always know that I'm here if any of you need anything or I can help you in any way!!! Love you all!!!
