“ Dear Aunt Sue, Peter and Family my thoughts and prayers are with you today and everyday. I know that I have not seen you all as much as my siblings but we are family so you all up there are still always in our hearts and prayers. I know the choir of Schropes in heaven are singing to the angels about the family members left behind and how much they love and will miss us. We will always have them in our hearts and our memories will carry us through this very hard period.

I wish I had the right words to say to you at this hard time but best I can do is say we love you all very much and will keep you in our prayers always.

Our love to you all
