“ *Danny & Nikki: You dont know me but I feel as if I know both of you quite well. You see...I work with Brian at T.C.E. and I used to ride to work with him everyday. I want you both to know I am so sorry to hear that Lil Danny passed. I know we do not understand why, but just know one day you will get the answer. Also remember....it was nothing that either one of you did. It was just one of lifes really hard knocks. Please know I will keep you all in my prayers as you go thru this healing process. Lil Danny was "special". I have always heard that God only gives these "special" children to people who can take care of the situation and handle it accordingly. God Bless you both. With much love and prayers Tammy Gunter*
