“ Dannie was one of the most generous people I knew. As far as I know, he never held a grudge either. He was just a really nice guy. The world was a better place with him in it. I first met him in 1974 through his neighbor, Coonie. I used to bake Dannie a chocolate cake on his birthday because he did favors for me like towing my car and not charging the full price because we were friends. That's just the kind of person he was. His family is in my thoughts and prayers. The Light of God surrounds you. The Love of God enfolds you. The Power of God protects you. The Presence of God watches over you. Wherever you are God is. And all is well. Rest in the arms of the angels, Dannie. You'll be missed. Judy Meeks Porter
