“ Do not stand at my grave and weep, I am not there, I do not sleep. I am in a thousand winds that blow, I am the softly falling snow. I am the gentle showers of rain, I am the fields of ripening grain. I am in the morning hush, I am in the graceful rush Of beautiful birds in circling flight, I am the starshine of the night. I am in the flowers that bloom, I am in a quiet room. I am in the birds that sing, I am in each lovely thing. Do not stand at my grave and cry, I am not there. I do not die. My heartfelt condolences for the Hall family

“ To all the Hall Family: I am deeply sorry for your loss. I have such fond memories of the years I spent growing up with Dan as my father figure. I enjoyed every minute that I worked on whatever construction project he was working on. I also loved hanging out at the Police Station. My heart goes out to all of you!! Jamie

“ *Patty and Family...It is with a heavy heart but fond memories that I send you my deepest condolences. I always considered Dan a good friend of mine. Though we lost touch over the years the memories of him are still vivid. Dan was one of the most honorable and helpful men I've had the pleasure to have known. Throughout high school and in later years his friendship never waivered. Forever the proud husband, father and Highland mascot, may the sound of those bagpipes welcome you to heaven...Dan Hall, we will miss you.*

“ To Bruce and Bradd: Losing a parent is difficult no matter what age you are when it happens. Cherish the happy memories and the special moments you shared with your dad - the details fade with time but the feelings of love remain. To Aunt Mildred and Jane: You have always been with me during times of sorrow and I thank you. Although both of you have had to experience this loss before it doesn't make it easier the second time. All my love goes out to you.  
Love, Jeff
