“ Family and friends, this is a belated note. Our family grew up a few doors from Danny during the 60s on W. 4th St. We always knew him as a fine person. This is a sad belated note as he has recently crossed our minds.

“ I wanted to let you know that I have very fond memories of Danny from my youth. I grew up in Anderson and knew him in my junior high and high school years. I remember him as being funny, cool and one heck of a good dancer with the girls. We always shared a lot of laughter together. I lost track of him so many years ago, yet I have often thought of him. I hope he had a happy life, he certainly deserved it. Here's to his memory!

“ Uncle Danny~ What I remember the most about you is your contagious, unique laugh. As I observed you for the last time, I could still hear that laugh as I looked at the laugh lines around your eyes. You were a good-hearted person and I love you very much.
