“ Daryl and I were very good friends when we lived in Montezuma. We hung out together since there was never much to do there. Whenever I would come home to visit my mother, Daryl always made it a point to come by and see me. What a great friend he was. I want to offer my condolences to his wife and children during this difficult time. I only heard of his passing yesterday 9/17. I know he is in a better place now and without pain. God bless you my friend, I will miss you greatly. Sincerely, Mike Smith, Chattanooga, Tn

*We pray for your family and you with the loss of Daryl.*

*Daryl and I (Harry) were good friends at Indiana State University. We were on the same floor in Gillum Hall on campus and then in a house on Maple Ave. The guys at the house were known as the "Family". Daryl was family.*

*When Joan and I were married Daryl was part of our wedding party.*

“ *I just found out the sad news this morning. Daryl was my college roommate at Indiana State. From the first day we met in Terre Haute we were friends. I lost track of him after graduation and recently had planned on meeting for lunch with another buddy from college this Friday. This is terrible news and I would like to offer his wife and family my sincere condolences. It is good to know that he is at peace and now in no pain. May God bless you all. All of his College friends are going to miss him but we do have great memories that will always be with us.*
