“ *Very sorry to hear of Dave's passing. I worked with Dave at the library years ago. He was always very kind and easy going and I'd be hard pressed to remember ever seeing him without a smile on his face. He had a great sense of humor and there was many a time I can recall a group of us cutting up about some silly joke or other. He was just an all around great guy and I'm so glad I got the chance to have known him.*

“ I knew David since we were in our twenties. He was a caring man, a good police officer, and one of the library's most personable people. He will be missed by all who knew him. Condolences to David's family.
