“ I met David several years ago when he needed tire work done on his car. I had a tire service called Mobile Karr Tire and this is how we met. This is also how I met his best friend "JD". Anyway, I did tire related work for him several times. On one occasion a big storm came through while I was installing a new set of tires on his car and we sat on his patio for about an hour, until the storm cleared, and talked about different issues this was at his former address. We had several good laughs and it was peaceful watching the bolts of lightning and listening to the heavy down pour of rain on his patio roof. Dave was the type of guy where he made you feel comfortable being around him. He was easy going and laid back. He appreciated life and was satisfied. Dave had nothing to prove. I never thought of Dave as a customer, but as a friend. He will be missed by many. I will cherish the memories of you dave. See ya buddy and Good luck.

“ Linda, Just today learned of David's passing and sending my sympathy. My memories include as a 12 year old wanting to ride in his little sports car when he visited you on West 5th Street. And he did have the cutest dogs! Know he has a peaceful rest now. Most Sincerely, Pam Gouker and Family
