“ My sympathies go to the entire family. I am also a '67 classmate. My memory of David was the first impression he made when he moved to Lapel, a very polite young man who addressed his teacher as Ma'am.

“ I was so sorry to hear of David's death. We were classmates at Lapel and I considered us to be friends. I remember David as being a kind gentle person with a good laugh and dry sense of humor. Our class was so sorry that he had not come to any of our last reunions, however, we do have a good picture of him sitting in a group at our 5 year reunion. I will always remember how intelligent he was. He sat beside me in 9th grade Algebra and we had many other classes together. I would like to be with you Monday, but work constraints will not allow it. Please accept my condolences and may God be with you. My thoughts are with you, Sincerely, LindaMintonRenner

“ *My sincere sympathy goes to David\'s family and friends. I graduated with David in 1967. I had not seen him since that time, but I\'ll always remember him. I remember how smart and knowledgeable he was. He was a very good student and a nice friend. Our class will surely miss him. We are truly saddened by this news. God Bless Dave and all of you.
