“ I am a longer time customer of Dave's from Michigan. I always enjoyed talking to him when I called. We had a lot of laughs and fun over the years. He will be greatly missed by our entire company. My prayers go out to Dave's entire family with hopes that each day forward will be easier than the day before.

“ My deepest heartfelt condolences Do not stand at my grave and weep, I am not there, I do not sleep. I am in a thousand winds that blow, I am the softly falling snow. I am the gentle showers of rain, I am the fields of ripening grain. I am in the morning hush, I am in the graceful rush Of beautiful birds in circling flight, I am the starshine of the night. I am in the flowers that bloom, I am in a quiet room. I am in the birds that sing, I am in each lovely thing. Do not stand at my grave and cry, I am not there. I do not die.

“ Arlene & Heaton Family, So very sorry for your loss. Dave was my all-time favorite rep in the print industry and all of us here at Trainor Business Forms are missing him tremendously. He was so much more to us than just a business associate and no matter what "dire" situation we may have called him with, he knew just how to not only handle our problem, but also how to leave us laughing and smiling and much better off for having talked with him. We all lost a friend in the truest sense of the word. We hope your sorrow is brief and your memories long. Bill Morley

“ Although i never had the priviledge of meeting Dave, I spoke with him quite often because of business. We developed a great rapport with each other and he was a wonderful man. We enjoyed many laughs together, and I will truly miss his sense of humor, and the great man that he was. Sincerely, Evelyn Sacco

*“ I met Dave back in March during a trip to Printegra but I got the pleasure of working with him on a day to day basis. He was one of the nicest and most helpful people I have ever met and I can only wish that there were more people like him in this world. Arlene, I can't imagine what you are going through right now and I am truly sorry for your loss. To the Printegra staff, you not only lost an employee but a family member and I can't imagine what it is like around the plant without him. I can tell you that Dave will be missed by many people and his passing is a loss to everyone that knew him.*
