Wish I'd of been able to put it all together sooner, looks like I shared a very special friend with you when I was a child as well. Kajen. She was my mom's dog once, your dad raised her and trained her. Rest easy sweety.

Thank you Keri for this for my son. I enjoyed every second. I just lost my mother and father Saturday. They say it gets easier with time, I don't think there's that much time before the sun burns out. Thanks again for Tyler.

“ Hello,
This is your neighbor from Euclid Drive in the 1960s, Phill Owens. I am very sorry for your tragic loss. My thoughts and prayers are with all of you. I never met David Tyler, but since he served 2 tours in the US Army in Iraq, he was a great man. My own father served in the US Army from 1936 to 1946 in the Pacific. David Tyler will be greatly missed. I can't be with you because I have no car right now, but my thoughts are with you. I hope the rest of you are in very good health. Lots of love to all of you.

Sincerely Yours,

Phill

“ David,

I shared so many firsts with you...our first(and only) marriage, first time buying a home, and the most amazing of everything we ever did together our first child,Leiamarie. My heart hurts to know she'll never get a chance to know you now, but I swear I'll make sure she knows your family and hears all kinds of stories about you and the fun times we had as well as anything your family can teach her about you. I loved you and a part of me always will, but I know you are so much happier now than you ever were here on earth. Please watch over your daughters and your family and try to help them heal through this time. Though, we didn't always see eye to eye even after we divorced and things got really bad for either of us, we still came to one another for some type of support. I'll never forget how great you were to me when I lost my mom. Life seems a little less bright without you here. Rest In Peace.

To David's Family,

I hate that we live so far away from you guys and can't see you as regularly as we should, but I am so sorry for the loss of David. There are no words I can say to make things better or easier but please know I'm always here for any of you.

“ *David,*

Thank you for giving me one of the greatest gifts someone could give another, our sweet Isabella Leilani. She's been hugging her "teddy" tightly. I promise to never let her forget you.

I truly loved you and cherish the memories and amazing times we had together. Through the good and the bad, I always cared. Watch over us. We will miss you dearly.

“ I will never forget the day David came to work dressed up in his finest "dress" . It was a costume day at work and he participated as always. David was a pleasure to be around and he always worked his best to offer a humorous comment to lighten the day up. My sincerest condolences and prayers for the family.
