“ *I miss you so much dad. You were my world and my life just isn't the same without you here. I want so badly just to speak to you one last time and to say goodbye. It's so difficult to describe the pain I feel and I don't think anyone could understand. Me and you had such a great bond and I wish we had time to bond more and I just feel like there's so much we missed out on. It's hard growing up without you're dad there by your side but youre always in my thoughts and my prayers. You'll never be forgotten and your memory will always live on through me. It's been a rough road living without you but I'll make it as long as your looking down watching over me I'll always have hope. I love you more than anything in the world dad. I miss you so much every single day.*
