“ *I will forever keep Greg in my heart. His smile could light up a room and his kind gentle spirit touched me from the first time we met. I feel that Greg's warm loving heart lives on in his wonderful wife Joann and in all of us who were blessed to know him. My thoughts & prayers are with everyone. Greg, this is not "good bye", my friend; it is merely "til we meet again". I was blessed & honored to know & care for you.*

“ So sorry for your loss Jo. We enjoyed talking to you and Greg at the casino, so glad we got to talk to you a few weeks ago, Greg said he hadn't had a very good Winter, but we didn't realize it was this serious. I was so shocked when I read the paper this morning. We wanted you to know we are thinking about you and your family at this difficult time, stay strong and know that we are here for you.
