“ Annie, I can't begin to imagine what you are going through right now. I'm sure that it's difficult to talk about this now, but you know that I'm almost always home. I'm not the kind of person who knows the right words to say to someone who's hurting, but I am a good listener. You can cry all you want to on my shoulder.

“ To LuAnn and Family ,I want you all to know my heart and prayers are with all of you.David was a very sweet kid ,whom I loved very much and he will be sadly missed by all.I remember the last time i seen him was about a week ago; he came in to use the phone and then he leaned over and kissed me on the cheek and said mom are you ok?Then he walked out the door.I never dreamed this would be are last good bye.But I now know he is and angel up in the big blue sky. And him and Michael will work close together to always watch over us all.I know we will miss them body and soul but they are still here in our heart\'s and thought every minute of every day no matter where are how far we go for the rest of our life\'s. Untill that day when we can once again hold them and hug them and tell them good nite.And I now know we never have to be afraid to die for they well be there with open arm;s to welcome us; and we will once agian have our baby boy\'s back in our life;s to be together in Heaven for ever and ever!
