“ My sincere condolences to Davids family. David was my friend and neighbor back in grade school in the 60s, We played football, baseball and competed in a homemade high jump in his yard. He was a ferocious competitor and would never back down from a challenge. I'm certain he fought bravely until the very end, that was his nature. I'll never forget him and the great times we had in his yard back in Chesterfield. Peace be unto you my old friend.
