“ So sorry to hear of Dave's passing. I always told Barb she was lucky to have him, because he was a good man and a good provider for the family. I didn't know him well, but he was always nice and polite to me when I did speak to him. I know what he went through with his hip surgery, as I just had one hip replaced and am hoping to have the other done soon; sorry I won't be able to make the funeral because of it. My condolences to Barb and the family.
