“ Dearest Jan, Words alone cannot begin to express how very sorry I am for your loss, my dear friend. With your Dad's sudden passing...it must seem like some kind of really bad dream that you'd like to awaken from...I wish it were Jan. We all know that death is a "part" of life...waiting for all of us, but it seems those that pass...go on to a better place; it's those left behind that have the difficulty of going on somehow without them...and you will! May you find comfort and strength during this time of grief... through your strong faith in God and also, with the aid of other family members and friends. My heart goes out to you Janis...just know that I'm here for you. See you soon, upon your return to South Bend. Love, Michelle
