“ I miss you dad so much everyday it gets alittle easier but not. You're so remembered by how much u loved your children and grandchildren. COURTNEY will always remember her pawpaw. Its said people get over death easy but that's not true dad. You watch over us as a angel of God's. But you are still alive in each of us. You gave all you could not alittle but 100% of what Dad could do. You were one of a kind. God broke the mold when he made you dad. I LOVE YOU SO SO MUCH AND OUR SMALL FAMILY. LOVE DEB N COURTNEY.

“ Dear DAD- I wanted you to know of all the special times we've had together!! I miss you so much and this is happened to fast for all of us. If I could fly up and see you in Heaven I would every day like you did to me. You were my shoulder to lean on and my ear to listen to all my stories. All of us and BoogieCourtney will remember you like we did last week when you stopped by. And all the times we had before and the times at the kitchen table. I didn't want you to go now Dad. But I will never know why but God must of wanted you to help him. You are so so much missed by us Dad and I had to release my feelings on here to let you know and all how special you were to Debbie. Love, Doug and Debbie and kids and Courtney wonders how I can bring Papaw back down but I told her you'll be here in spirit and you'll be missed on her birthday -your funeral.
